SAINT MARK'S METHODIST CHURCH

Rockville Centre, New York

This church was organized in 1870 and a building erected on Village Avenue and Merrick Road. This building soon became inadequate and a new church was built and dedicated in 1894. In 1938 this building was destroyed by fire. A new site was purchased and the present parish hall was erected. Services were held in it from May, 1941 to May 25, 1952, at which time our beautiful Norman Gothic Church was consecrated for worship and service.
